

SPETISBURY

STATION PROJECT

proudly presents

Christmas at the Station

Join us on Sunday 17th December at the old railway station, Spetisbury, from 10am to 2pm for

seasonal refreshments including hot drinks, mulled wine, mince pies and other festive treats

and the chance to buy some last-minute presents from a range of good quality second-hand railway books (including children's books), DVDs and framed paintings.

Entertainment provided by a local ukulele band.

All of this is available for a donation to the **Spetisbury Station Project**, every penny raised goes towards helping us maintain and improve the station site.
