

### **Three Villages News**

In the light of the Prime Minister's announcement, the April edition of the Three Villages News will not be delivered to some of you. Most of it is out of date anyway although there are some interesting articles. If you are passing Marcia's on your daily walk or to pick up essential supplies, there will be copies in a box outside as soon as we can get them there. Similarly you can pick one up from the box outside Spetisbury Village Hall. We will not be producing the Three Villages News until further notice. Subscriptions will be adjusted once we resume production.
